

CONSENT SHEET TO BECOME A RESPONDENT
(INFORMED CONSENT)

The undersigned,

Name :

Age :

Address :

Phone Number :

I expressed my willingness to be a research respondent with the title "*The Effect of Breathing Exercise, Balloon Blowing, and Deep Breathing Technique on Increasing Peripheral Oxygen Saturation in COPD Patients at the Regional General Hospital, Dr. Zainoel Abidin, Banda Aceh.*"

This research will be conducted within 7 days by students in the Master of Nursing Study Program, Specialization in Medical-Surgical Nursing, Faculty of Nursing, University of Indonesia.

I understand that this research will not negatively affect me and believe it will benefit many parties, including me, the nursing profession, and institutions, by improving nursing services.

I signed this agreement with full awareness to declare that I am ready to participate in this research.

Banda Aceh, 10 March 2026
