**The Use of Delta-Wave Hypnoanalgesia as a Non-Pharmacological Adjunct to
Reduce Perioperative Anxiety During Cataract Surgery: A Prospective
Randomized Single-Blind Study**

Consent Form for Participation in Clinical Research

Title of the Study: Perioperative Auditory Hypnoanalgesia in Cataract Surgery.

I, the undersigned, hereby agree to participate in the study entitled: "Perioperative Auditory Hypnoanalgesia in Cataract Surgery."

The objectives and procedures of the study have been clearly explained to me by Doctors Haythem ElAskri and Eslem Berrima.

I have read and understood the information sheet that was provided to me.

I agree that the documents from my medical record related to the study may be accessed by the study investigators and, if necessary, by health authorities. Apart from these individuals, who will handle the information with the strictest confidentiality, my anonymity will be preserved.

I fully understand that my participation in the study is voluntary. I am free to accept or refuse to participate, and this will not affect the quality of care I receive.

My consent does not absolve the organizers of this study from their responsibilities. I retain all rights protected by law.

After discussing the study and receiving answers to all my questions, I freely and voluntarily agree to participate in the proposed research.
