IRAS ID: 275034

Patient Identification Number:

INFORMED CONSENT FORM

Project Title: A multicenter, double blind, placebo controlled, crossover trial of morphine sulphate for the treatment of Pulmonary Fibrosis Cough (PACiFy Cough)

Name of Researcher:

	Please Initial in box
1. I confirm that I have read and understand the information sheet dated (Version 4.3, 08th March 2021) for the above study and have had the opportunity to consider the information, ask questions and have these answered satisfactorily.	<input type="checkbox"/>
2. I understand that my participation is voluntary and that I am free to withdraw at any time, without giving any reason, without my medical care or legal rights being affected.	<input type="checkbox"/>
3. I understand that relevant sections of any of my medical notes and data collected during the study may be looked at by responsible individuals from Imperial College or from regulatory authorities where it is relevant to my taking part in research. I give permission for these individuals to have access to my records.	<input type="checkbox"/>
4. I agree with the publication of the results of this study in a medical journal (all data will be published anonymously).	<input type="checkbox"/>
5. I consent to 24-hour cough recording. I have been informed that the monitor records all sound, not just my cough. I understand that disclosure of information to the appropriate authority may be necessary should the monitor record anything which may put me or another at danger or risk.	<input type="checkbox"/>
6. I consent to the upload of my cough recordings to Vitalograph portal to ensure its safe storage of in RaDAR under the terms of this study for a maximum of 20 years.	<input type="checkbox"/>
7. I understand that anonymized data and recordings may be made available for further research, subject to application process and approved by the RaDAR Management Team. I consent for my recordings to be used for future research:	
a) In the UK	<input type="checkbox"/>
b) In the EEA.	<input type="checkbox"/>
8. I agree for my GP to be informed about my participation in the study.	<input type="checkbox"/>
9. I understand that my blood and urine samples, including my DNA samples, will be analyzed, anonymously, by researchers outside my local hospital, potentially including the EEA. I also understand that after the end of the study samples will be stored and may be used, anonymously, in future ethically approved research.	<input type="checkbox"/>
10. I agree to be contacted by phone following each study visit.	<input type="checkbox"/>
11. I agree to take part in the above study.	<input type="checkbox"/>
