**Development of a robust and reliable pulse oximeter for use by frontline healthcare providers
caring for children with pneumonia in low-income countries**

CONSENT FORM

*This study (Project ID: 15HC31) has been given favourable review for conduct in the NHS by: XXXX
Research Ethics Committee on date YYYY*

Please initial all boxes

1. I confirm that I have read and understand the information sheet dated XXX (version 1.0) for the above study. I have had the opportunity to consider the information and ask questions and I have had my questions answered satisfactorily.
2. I understand that my participation is voluntary and that I am free to withdraw consent to participate at any time without giving any reason, without my legal rights being affected.
3. I understand that my views may be audio-recorded and I consent to the use of this material by the research team, possibly including verbatim quotes.
4. I understand that information provided for this study will be treated as strictly confidential and handled in accordance with the Data Protection Act 1998. I am assured that no personal identifying information will be kept which could link me to any data recorded.
5. I understand that data collected during the study may be looked at by individuals from Great Ormond Street Hospital, or from regulatory authorities.
6. I consent to take part in this study
