Patient Consent Form

Name:

Date of Birth:

IC Number:

Address:

Telephone Number:

I consent to participate in the above research study.

I understand that if I agree to participate, I also agree to disclose my medical history. I authorize members of the research team to have access to and view my pathology report and medical records.

I understand that information obtained during this study will be securely stored on an electronic database and will not be used for any other purposes. I also understand that my participation in this study is entirely voluntary and that I may withdraw from any or all parts of it, at any time, without giving a reason and without affecting my further care.
