CONSENT FORM

Study: Type-2 diabetes: risk perceptions and self-management behaviour

Researcher: Thomas Rouyard

If you agree, please initial box

| | |
|---|--|
| 1. I confirm that I have read the information sheet dated 29 March 2017 (version 3) for this study. I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily. | |
| 2. I understand that my participation is voluntary and that I am free to withdraw at any time without giving any reason, without my medical care or legal rights being affected. | |
| 3. I understand that data collected during the study may be looked at by individuals from University of Oxford, from regulatory authorities [and from the NHS Trust(s)], where it is relevant to my taking part in this research. I give permission for these individuals to have access to these data. | |
| 4. I agree to my General Practitioner being informed of my participation in the study. | |
| 5. I understand that the information collected about me may be used in an anonymous form to support other research in the future. It will not be possible for me to be identified by it. | |
| 6. I agree to take part in this study. | |
