Study consent form

Official study title: The effect of consuming grass finished lamb meat on omega-3 blood response among healthy consumers

NCT number: 19.08v2

Date: 22/03/2019

Consent Form

Project title: The effect of consuming grass finished lamb meat on omega-3 blood response among healthy consumers

Please initial box

1. I confirm that I have been given and have read and understand the Information Leaflet for the above study. I have had the opportunity to ask, and receive answers to any questions I may have had. []
2. I understand that my participation is voluntary and that I am free to withdraw at any time, without giving any reason. []
3. I agree to take part in the above study, inclusive of the procedures mentioned in the Information Leaflet (completion of questionnaire, blood sampling, blood pressure and body mass index measures) []
4. I understand that my participation or non-participation will not affect my career progression, my medical care or my legal rights being affected in anyway. []
5. I understand all data will be treated securely as described by the new EU General Data Protection Regulation and stored appropriately as required by the University. []
6. I understand that I will not be identifiable in any data published in relation to this project. []

I agree to take part in this project
