

**Assessment by Ultrasound of the degree
of venous dilatation, comparison between
venodilation by Airglove™ versus Warm
Water Immersion (WWI)**

HLS/PSAWAHS/18/168

25th March 2019

ASSESSMENT BY ULTRASOUND OF THE DEGREE
OF VENOUS DILATION; COMPARISON BETWEEN
AIRGLOVE™ AND WARM WATER
IMMERSION (WWI) METHOD

ELAINE GARDINER

CONSENT FORM

Please initial box

1. I confirm that I have read and understood the information sheet dated
(version 1) for the above study and have had the opportunity to ask
questions and have had these answered satisfactorily. ☐
2. I understand that my participation is voluntary and that I am free to withdraw at
any time without giving any reason without my medical care or legal rights being
affected. ☐
3. I agree to take part in the above study. ☐
3. I understand that information provided via my participation will analysed and anonymised
and may be used in publications about the research however it will not be
possible to identify me from this information. I give my permission for this. ☐
5. I consent to allow my basic demographic data to be kept on a password protected database on a
secure server. The data held on the database will not be identifiable. This data may be used for
further analysis and in comparison with future data, by staff and students of the School of Health &
Life Sciences at Glasgow Caledonian University. ☐
6. I understand that the results from this work may be published however it will not be
possible to identify any participant from this. ☐
7. I agree that any unexpected findings will be reported to my General Practitioner. I give
permission for this. ☐
