

(S1)**Informed consent for participation in a health science research project.**

Research project title: MELADERM-trial: Melatonin cream against acute radiation dermatitis in patients with early breast cancer: a pivotal phase 2, double-blind, randomized, placebo-controlled trial

Declaration by the subject:

I have received written and oral information and I know enough about the purpose, method, advantages and disadvantages to say yes to participate.

I know it's voluntary to participate and that I can always withdraw my consent without losing my current or future rights to treatment.

I agree to participate in the research project and have received a copy of this consent sheet as well as a copy of the written information about the project for its own use.

Subject name: _____

Date: _____ Signature: _____

Do you want to be informed about the results of the research project and any consequences for you?:

Yes _____ (mark with x) No _____ (mark with x)

Declaration of the person providing information:

I declare that the subject has received oral and written information about the trial.

In my conviction, sufficient information has been provided for a decision to participate in the trial.

The name of the person who provided information:

Date: _____ Signature: _____

Project identification: EudraCT nr.: 2018-001705-91
