Participant Informed Consent Form

Study title: **Effect of metallic micro- and nanoparticles on the progression of peri-implantitis and their interaction with the microbiota. Part 3: Clinical study.**

I, Mr./Ms., as the participant, holder of ID number, or as the legal representative, family member, etc. of the participant, Mr./Ms., holder of ID number,

DECLARE that Dr. **Anna Ribas Garcia** has provided me with sufficient information about the study and that I have received the corresponding **Participant Information Sheet**.

I have understood the explanations provided to me in clear and simple language, and the healthcare professional attending me has allowed me to ask any questions and has answered all the doubts I have raised.

I also understand that, at any time and without having to provide any explanation, I may withdraw the consent I am now giving and discontinue my participation in the study whenever I wish, without having to give any reason and without any consequences for my medical care.

Therefore, I declare that I am satisfied with the information I have received and that I voluntarily agree to participate in this study.
